## Requesting a New Supplier

If you would like to order from a company that isn't in the approved supplier list you can **Request a New Supplier** from the links on the 'Supplier Search Results' screen or the 'Procurement Sub-Categories' screen (see above). You will be presented with a Sussex Direct email screen, asking you to provide information to a number of questions about the supplier. When you click **Send** the email will go to the Procurement Office ([procurement@sussex.ac.uk](mailto:procurement@sussex.ac.uk)) who will set up the new supplier within 48 hours of your request.

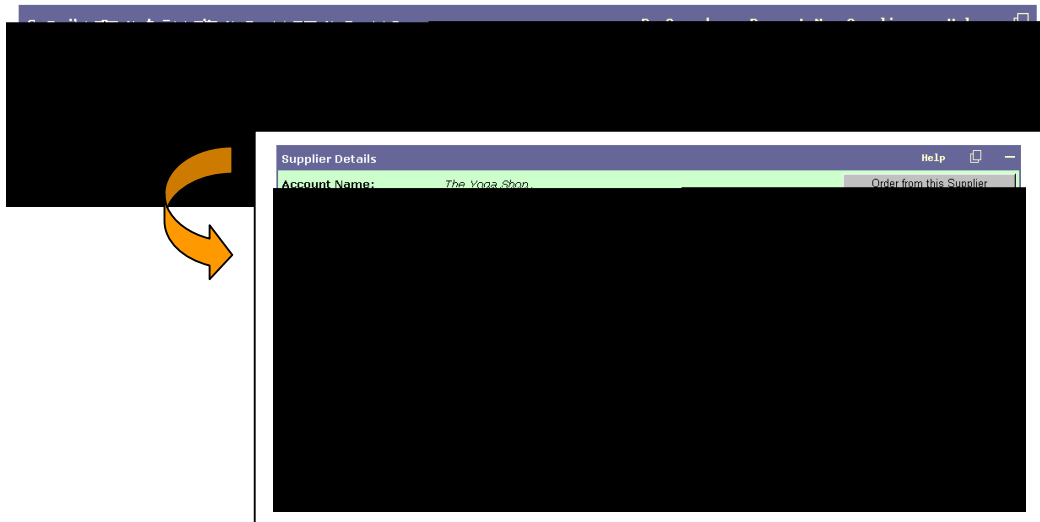

The screenshot shows a 'Send Email' window with the following fields:

- From:** M.O.Saliman@sussex.ac.uk
- To:** procurement@sussex.ac.uk
- Cc:** [Empty text box]
- Bcc:** [Empty text box]
- Subject:** New Supplier Request
- Message:** Supplier Name:  
Supplier Address (including postcode):  
Supplier's contact person for Payments:  
Supplier's email, telephone, url:

Buttons for 'Close', 'Send', and 'Help' are visible in the top right corner. An 'Attach:' section is partially visible at the bottom.

## Placing an Order

1. When you have found your supplier, click on the **Supplier Name** to see the supplier details. Click on the  button to place an order

## 2. You will then need to raise a requisition for the order you wish to place:

Supplier: *The Yoga Shop P O Box521*

Account Code: Y00040 Requisition Status: Draft

Internal Comments:

You must save these details before you can enter the actual items you wish to purchase.

### **Delivery Address**

This address will appear on your completed order. If you require a different delivery address then you can overwrite the address.

### **Internal Comments**

This section does not print on the completed Order, but is to be used for noting information which is relevant within the University.

### **Safety Compliant?**

This must be completed if the item or service you are purchasing has to be compliant with any relevant safety legislation or any University of Sussex Safety Office policies or procedures.

**You must indicate the relevant safety area the purchase applies to**, and by doing so accept that risk assessment will be made or is currently in place.

### **Buyers Guide Checked?**

**This must be ticked after you have read the Buyers Guide** (which is available via the help button). Otherwise the order will not be fully processed and will be sent to t

Once you've saved the amounts you will see the tota

You have two print options. Clicking on the printer icon  means that you have to put University letter headed paper in your printer. Clicking on the Fax icon  means that you can print on plain paper as the requisition will feature the University logo.

## Authorisation

You will then see a list of your requisitions, along with their statuses. You can use the **'Search Requisition'** facility to query your list of requisitions.

If you click on the Status of your requisition it will tell you who needs to authorise it, or who has authorised it. It also tells you if an invoice has been received and if that invoice has been paid.
